Claresholm Wins Rough Contest

Pace-setting Legionnaires Lose One, Win One

Any resemblance to hockey was purely coincidental Wed., Jan. 18, as the Claresholm Clippers downed a fighting band of Legionnaires by a 7 to 6 count, thereby handing the Vulcan crew their first defeat in thirteen starts. The contest was marred by a near riot in the 2nd period which saw 14 penalties, five of which were majors, handed out by an overworked refereeing crew. However, with Constable Carruthers viewing proceedings in the third period, both teams played all out for the win and only a last minute surge which netted them two goals in the final three minutes gave the visitors their win.

Friday night of last week Vulcan's 'Suicide Seven' journeyed to Fort Macleod where they resumed their winning ways by trouncing the Forts to the tune of 12 to 3. Ronnie Marshall paced the undermanned local crew by scoring five goals and assisting on four others, for a great nine-point performance.

To finish off this week's hockey activity the league-leading Legionnaires showed once again what poor hosts they can be as they greeted the Claresholm RCAF team with a 14 to 4 lacing at the local arena Monday night.

With Frankie Anderson defensive star of the Grey Cup Edmonton Eskimos football machine, directing activities from the bench, the local crew took command from the star and never looked back. Glen Gorbous led the way in this game with 7 counters with Pat Walker and Ken Wright notching three each.

Farewells Honor Loucks Family

Mr. and Mrs. Ken Loucks, who will leave at the end of the month to reside at Hanna, were honored at a farewell party at the W.S. Hill home recently. Some 40 friends of the departing couple were present and a most enjoyable social evening was spent.

Hostesses for the occasion were Mrs. George Seaman, Mrs. Clayton Clarkson, Mrs. Bud Haverly and Mrs. Wally Franks.

Bud Haverly, on behalf of those assembled, presented the Loucks' with a lovely platform rocker and expressed the sincere regret of all in losing such valued citizens.

Mr. and Mrs. Loucks very graciously thanked their friends for their kind thoughts, and for the much appreciated gift.

Lunch was served by the hostesses.

Hen Not So Perky Now

A Leghorn-Hampshire hen on the farm of Eric Watson, north of Vulcan, recently outdid herself by producing an egg two inches in diameter and three inches long and six and a half inches in circumference around the middle and eight inches the long way.

The hen hasn't been too perky since her feat, says Mr. Watson.

Town of Rosedale To Honor Gorbous

"G-Day" will be observed by the citizens of Rosedale, Sunday, Jan. 29 when they will honor a native son, Glen Gorbous, and a long-time citizen, Elmer Gagstetter. A sportsman dinner and sports program will pay tribute to Glen Gorbous, who has made a very real name for himself in baseball circles, having completed a most successful season with the Philadelphia Phillies last year in the National League. Glen, though now a resident of Vulcan, was born at Drumheller and began his baseball career at Rosedale.

Mr. Gagstetter has been active in promoting baseball, hockey and sports generally in the Drumheller Valley for many years.

Plan Conference Here Feb. 3

The January meeting of the Candlelight Circle was held at the home of Mrs. Calvin Hollister with 28 members and two visitors present.

The roll call was answered with a Bible verse on Salvation.

The devotional was given by Margaret Davis followed with prayer by Anne Chapman.

A rather lengthy business meeting was held with plans being discussed about a Women's Conference which is to be held in the Vulcan Church of Christ on February 3rd. There will be speakers and special music both from Vulcan and from other churches of Christ in Alberta.

A spelling contest featured the social part of the evening and was very much enjoyed. New Pollyannas were drawn for the year.

A most delicious lunch was served by the hostess assisted by Betty Wickstrom, Muriel Smith and Doris Jones.

At H & S Meeting

Farm Union Meeting At Lomond Well Attended

A good Farmer's Union of Alberta Emergency meeting was held in Lomond, Jan. 19 with about 50 persons in attendance. Mr. Crawford, president of Badger Lake Local, presided.

Mrs. O. Douglass, Provincial Vice-President of the Farm Women's Union of Alberta, gave an excellent talk on the FUA structure, using a chart very effectively.

M. R. Morrison of Vulcan, who is lending his services to the Farmer's Union in this crisis and is assisting the farming and local townspeople in finding a solution; showed a great understanding of the situation in his speech.

James Derrick, Director of District 12, FUA, speaking for the first time in the Lomond area, dealt mainly with the Eight Points on the Emergency Petition for immediate action. He urged every farmer and town resident to get in on this effort by signing the petition.

The sub-director covered the plan for sub-district organization now being used on a year's trial in Sub-District 5 of District 12. The objective of this organization is the strengthening of locals and attaining a co-ordination between locals.

A discussion on re-organizing the Lomond local followed. It was decided to lease the area as it is now.

Witnesses Convene At Fort Macleod

Jehovah's Witnesses from seventeen congregations in Southern Alberta are gathering for a three-day convention at Fort Macleod, January 27, 28 and 29.

Fifteen of the Witnesses from the Vulcan congregation are leaving on Friday for the assembly. Among these are Mr. and Mrs. Stewart Mann, Mr. and Mrs. A. A. McKee and family, Miss Joyce Tindall of Champion; Mr. and Mrs. R. E. Donaghy and S. Kulack of Lomond.

Mr. Mann will appear on the program on Saturday evening.

The Watch Tower Bible and Tract Society of Toronto will sponsor this assembly. The convention, which will be held in the High School Auditorium of Fort Macleod, is for Bible instruction and concentrated gospel-preaching in this area, spokesman for the group said.

The signed-up FUA members not connected with a local now can join either the Armada or Badger Lake locals. If a local is needed at Lomond later, the sub-director can be contacted.

Lomond Couple's 50th Anniversary

Mr. and Mrs. James Henderson celebrated their 50th wedding anniversary at their home in Lomond on Nov. 22nd, 1955 by holding 'open house' during the afternoon and evening.

Mr. and Mrs. Henderson were married in Fernie, B.C., by the Rev. John Robson on Nov. 22, 1905. They settled in Lomond in 1905 and resided there ever since.

Forty guests signed the guest book.

Mr. and Mrs. Henderson have two sons, Alec of Lomond and James of Nanaimo, B.C., also one daughter (Isabel) Mrs. Bert Keith, and four grandchildren. Mrs. Henderson was the former Miss Elizabeth J. Southern.

The table was prettily decorated for the occasion with bouquets of lovely gold mums centered with candles and two wedding cakes, one which was made in England and sent in time for the golden wedding.

The happy couple received many individual gifts from their many friends and were also presented with a beautiful bouquet of red roses and carnations in a vase trimmed with gold.

Out-of-town guests were their daughter, Mrs. Bert Keith of Nanaimo, B.C., and Mrs. L. Lowery of Comox, B.C.

Three Speakers Heard
Influence of Professions, Organizations, Discussed

A very interesting program featured the Vulcan Home and School Association meeting held Tuesday, Jan. 17, when speakers representing various organizations, departments and professions briefly outlined their work and how it influenced the community.

Mr. Andrews outlined the projects undertaken and the work accomplished by the Lions Club, pointing out how their efforts affected life in the community.

Mrs. S. W. Manning acted as chairman and introduced the speakers: Chas. Andrews for the Lions Club; Dr. A. D. Tompkins for the medical profession; Dr. H. M. Hamilton for the dental profession; Chief Constable J. L. Moyer for the police department and Mr. J. R. Chapman of the Church of Christ for the churches.

The effect on the community of increased research in the medical field, the efforts of medical men to educate the public to the need of good health, and the work done by clinic, immunization programs, etc., were outlined by Dr. Tompkins.

Dr. Hamilton proved an interesting speaker as he spoke on the work accomplished in the dental and other related fields.

Chief Constable Moyer gave an insight of the work done by the police force other than what is

apparent to the general public. He emphasized that the main objective of a police force is prevention of crime. Children should be taught not to fear the police but to regard them as friends and this should be taught from babyhood up. Youth activities such as Scouts and Cadet Corps are encouraged and assisted by the police and exert a good influence on the boys of a community.

Speaking of the influence of the churches on children and adults, Mr. Chapman said that the church probably exerted a greater influence than any other institution, through the church itself, its clubs, activity groups, Sunday School, etc.

The work of the Home and School Association and its influence in the community was discussed by Mrs. Manning.

The H & S is planning similar programs for later dates, when representatives of other professions and organizations will be invited to talk on their work and its influence on the community.

THE WEATHER

Fine weather has prevailed the past few days, with daytime temperatures in the 20 to 30 above range. Roads are mostly clear but slippery in spots.

Lomond Lions Club Project

Grain Storage Will Pay For New Lomond Rink

The Lomond Lions Club is sponsoring one of the largest projects ever undertaken in the Lomond district—construction of a building 113x208 ft. which will be used for grain storage at first and, when no longer required for this purpose, will be turned into a community skating rink.

When completed, the building will hold over 200,000 bushels of wheat, relieving the grain storage situation in Lomond to that extent. Several grain companies have shown interest in using the building for wheat storage.

Construction of the building is now under way and the foundations are expected to be completed this week. Architects were Hadden, Davis & Brown of Calgary and contractors are Wilson Builders Supplies of Brooks. The building is of arch type, timber rib construction and the laminated arches are being manufactured by the contractors. Clear fir 2 by 6's in 14-ply are used for the arches and only glue is used—a hydraulic press being used to form the arches under terrific pressure.

Total cost of the building is estimated at \$30,000 and of this amount \$20,000 has already been raised by public subscription and will be repayable out of revenues from grain storage charges.

Further subscriptions are still needed to meet the full cost of construction and the co-operation of all residents of Lomond and district is sought. The building will be a big asset to Lomond and district and construction is only possible through the interest and co-operation of all. In a few years the people of Lomond district will have a large indoor skating rink, entirely paid for by revenues from grain storage.

This is the first major project undertaken by the newly-organized Lomond Lions Club, of which Earl Heland is president and Floyd Sande secretary. Fred Walker is chairman of the building committee, which also includes Earl Armstrong, Fred Maronda, Bill Brown and Leonard Huff.

Canadian Legion Auxiliary Meets

The regular meeting of the Ladies Auxiliary to the Canadian Legion was held Wednesday of last week with a fair attendance of members. Mrs. E. Carruthers, the president, was in the chair and conducted the meeting assisted by the secretary-treasurer, Mrs. A. C. Marsh.

Mrs. Betty McFadden, whose application for membership was received at the last meeting, was present and initiated. She was welcomed by all members.

Routine business was dealt with and reports of committee received. New committees were named for the next three months.

Mrs. Charles Andrews was named Sergeant-at-Arms for the year, while Mrs. S. Degenstein was appointed Chaplain and Mrs. R. Mason, Flag-bearer.

A donation of \$10 was made to the Woods Christian Home.

Mrs. Ken Loucks, who leaves at the end of the month to make her home in Hanna, was presented with a silver spoon with the Legion crest as a farewell gift. A similar spoon was also presented to Mrs. Marsh in appreciation of her services as secretary-treasurer.

A donation of \$10 was made to the Auxiliary by Mrs. E. E. Andrews, who was given a vote of thanks.

At the conclusion of the business session a delicious lunch was served by a committee.

Women's Group Chooses Project

Jan. 19, the WWSW met at the home of Mr. and Mrs. J. Schierman for the regular monthly meeting.

The study book 'This Revolutionary Faith' is to be taken at the next four meetings. The first phase, entitled 'This Revolutionary World', was taken at this meeting.

Four letters from missionaries were read after which a prayer period was observed.

Roll was called with eight members present.

Mrs. J. Schierman presented the

Vulcan H. School Wins Basketball And Curling

On January 23, Vulcan hosted Champion for an exhibition basketball game. Both Vulcan teams, the Royals and Royalettes, won. The girls won by a score of 25 to 19; the boys by a score of 51 to 36.

Pat Paris and Irene Earl were top scorers for the Royalettes, getting 6 points each. Myrna Nickols got 8 for the Champion girls. Michael Jantzie got 17 points for the Royals, closely followed by Dick Jesse with 15. Spences Nickols was top man for Champion with 14 points.

Vulcan's Briar representatives swept their curling games at High River to take the District Championship by winning all five of their games. They go to Calgary on Wednesday, Jan. 25, to play in the Southern Alberta finals. The team members are Blaine Middleton, skip; Michael Jantzie, third; Dick Jesse, second; and Earl Brinton, lead.

Revise H & S Scholarships

Provisions governing the awarding of scholarships by the Vulcan Home and School Association were changed at the last meeting of the association and scholarships to Vulcan school students will be awarded annually as outlined below.

(a) The sum of \$100.00 will be given to Grade 12 students with "A" standing at matriculation, having completed the course in one year.

(b) The sum of \$25.00 will be awarded the student with the highest standing in Grade 12 (i.e. Diploma standing). If not awarded on this basis the award will be made to the student with the highest standing taking Grade 12 in more than one year.

(c) An engraved watch will be presented to the student with the highest standing in Grade 9.

The scholarships will be made on this basis annually and will not be cumulative. If not awarded in any one year, the entire sum of money or any part thereof shall be used to set up a trust fund with the objective of increasing the scholarships in future years. The scholarship provisions may be revised bi-annually by an appointed committee of not less than three members of the Home and School Association.

To Make Clothing For Jr. Red Cross

A meeting of the Cottonwood Good Deeds Club was held at the home of Mrs. V. Watson on Jan. 12. President Mrs. E. Steiner and Secretary Mrs. M. Springer took their offices for the new term. Mrs. P. Dunham was welcomed as a new member.

The Club decided to make clothing for the Junior Red Cross hospital. Gifts were presented to the past president, Mrs. M. Bates and secretary, Mrs. M. Springer for their past services. The evening concluded with a lovely lunch served by the hostess assisted by Mrs. M. Bates and Mrs. F. McNiven.

work projects and the one for hospital needs in the Philippines was decided on.

Helen Schierman, Dorothy McIntyre and Freda Lebsack were chosen to look after sending out used Christmas cards. It was decided to send \$5 each to Marion Hyslop, missionary home on furlough from Japan.

The next meeting is to be a combined service with the Youth Fellowship in the form of a World Service Day program sometime in February.

A sewing bee to make pyjamas is to be held at the home of Mrs. Walter Becker Feb. 15.

The meeting was closed with prayer by Mrs. H. Lebsack.

A very delicious lunch was served by the hostess.

UN to Watch Balloting in Trust Area

The first plebiscite ever to take place in a UN Trust Territory is scheduled in British-administered Togoland for early May 1956 when the people will be consulted as to their future political status. The voting will be supervised by a UN group of observers, headed by UN Plebiscite Commissioner Eduardo Espinosa Prieto of Mexico. Mr. Espinosa, center, and the group's Principal Secretary, Heinrich Wieschoff, right, discuss plans prior to their departure with UN Under-Secretary for Trusteeship, Benjamin Cohen. The UN mission is now in Togoland where registration for the voting has begun.

Press Reporters

We don't like to let a January go by without reminding organizations, both town and rural, that they will benefit by the appointment of press reporters.

A press reporter should be carefully chosen and his or her job is to see that news of the club's activities reaches the newspaper, either through the local correspondent or by being sent directly to the paper. Without a press reporter, much of the club's activities, of interest to the general public, is overlooked and never receives publicity, for reporters cannot be expected to attend every meeting of every organization in their town or district.

If your club or organization does not already have a press reporter why not suggest, at the next meeting, that one be appointed? Our local correspondent in your district will be glad to co-operate in seeing that the news thus made available to her is published in the Advocate.

Have A "Fire Plan"

Early detection and alarm is the greatest factor in minimizing the damage done by fire but having a "fire plan"—known by all members of your family—can also help keep down damage and possibly save lives.

The following measures are based on those recommended by the All Canada Insurance Federation.

- 1) Know how to turn in an alarm. In Vulcan and in most of the villages in the county the procedure is simple—just phone the telephone operator and tell her the location of the fire.
- 2) Know how to use a fire extinguisher; consult your local fire department as to the best type of extinguisher to have in your house.
- 3) In any fire, the first few minutes count most; never delay in turning in an alarm, once all occupants of building have vacated.
- 4) At first sign of fire, close all windows and doors except those needed for escape.
- 5) Report fires at first sign of smoke; don't wait until you see fire.
- 6) Always leave baby sitters with complete instructions on what to do in case of fire.
- 7) In cold weather, don't stop to dress children before getting them out of the house: wrap them in blankets if necessary.
- 8) Always leave one exit free; check frequently to see that it is unblocked by boxes of furniture.

It Pays To Lay Something Away

Local ranchers who had several stacks of two and three-year-old vintage last summer can thank their lucky stars today that they took advantage of the heavy hay crop in 1955 to add to this apparent abundance of feed. These haystacks that dot the meadows in the hills west of here are fast disappearing as ranchers who have been feeding since November see no let up for at least another three months. Shortage of help in the hay fields last summer caused some farmers concern and no doubt determined the amount of hay that was put up in this section of the country. Nevertheless, those who worked long hours under a blazing sun to add to their collection of hay stacks will be amply repaid many times over before this winter is over. A recent survey of fodder supplies in Alberta showed there are very few areas from which fodder can be obtained. The land has been good to the ranchers this year and it is said there is a reason for everything, the reason being a long cold winter ahead for those who ignored nature's warning.

CARD OF THANKS

I wish to extend my thanks to Dr. Szekely, the nurses and staff at the Carmanagay hospital for the excellent care I received during my stay at the hospital. I would also like to thank our many friends and neighbors for the cards, gifts and visits, also the help we received. —Mrs. Stanley Munton, problem. Sometimes, of late, unions have seemed to be stubbornly against anything that the boss favoured.

the prospects of the meat industry over the next 3 years these economists express a fairly bright picture. These expectations are based on the following reasons:

1. A high level of employment and income is expected to prevail over the next five years. No major business recession is anticipated and, with output of goods and services on the increase, personal income may rise by about 11 per cent.

2. The demand for meat will reflect the expected high level of consumer income, although it may not rise as fast as the latter. The proportion of the budget spent on meat may decline slightly from the high level of the last year or two, but total spending will be large.

3. Meat animals will maintain a favorable position compared to other farm products for several reasons. For one thing, the natural preference for meat will result in it deriving more benefit than some food products from the increased purchasing power. Secondly, meat will suffer less from competitive industrial products than some other foods, although hides and fats will continue to experience strong competition.

While the proportion of retail food expenditures absorbed by costs of marketing and processing may tend to increase, this effect will be less noticeable in the case of meat animals because marketing costs represent a smaller proportion of the price of meat than of any other food group except poultry and eggs.

4. Supplies of feed available for livestock are large and seem likely to remain so, in view of technological advance in field crop production. Prices of grain relative to livestock seem likely to remain in a reasonably favorable relationship.

5. Technological advances in live stock production have increased output and lowered costs. In the field of animal nutrition the rapid and efficient gains reported through the use of antibiotics and hormones are one example. New methods of handling livestock and the feed for them have been developed, and technological progress is constantly being made which is of great benefit to the industry.

BUY CANADIAN

When I wrote a column some while ago saying that from now on I intended to buy everything in my own town, of Canadian manufacture. I didn't expect much reaction. So many have paid lip service to that same idea—but weakened the minute a bargain was offered. Now, however, I am convinced that most Canadians are dead serious about it, because I got six times as much reaction from that column as I expected.

One reader, to prove that it is not just a bunch of manufacturers who are back of this drive to buy at home sent me a copy of the CANADIAN LABOR PRESS. It said, in part, "From the time of our first publication in 1918 the Canadian Labor Press has consistently advocated the purchase of Canadian made goods as being in the best interest of our working force. Time and the current plight of many of our industries have not changed this policy. As never before many of our industries are faced with the kind of competition that is virtually impossible to combat."

It was pleasing to know that workers were concerned about this problem. Sometimes, of late, unions have seemed to be stubbornly against anything that the boss favoured.

MORE WEED RESEARCH NEEDED

The advent of 2,4-D in 1945 opened the door to a new era in weed control. It initiated a revolution in selective chemical weed control. The picture was rosy. It seemed that in a few years we would only have to pour a quantity of a certain chemical into a sprayer, run it over a field, and our weed problems would be solved.

Unfortunately, this was not true. Our struggle against weeds is by no means over. True, we have been able to control quite a number of our very troublesome broad-leaved annual weeds in growing grain crops, but such common and destructive weeds as Wild Buckwheat and Tartary Buckwheat are still putting up a stiff fight. Then there is the Wild Oat which takes a heavier toll from agriculture in Western Canada than any other weed. So far, this wily foe has defied every control measure and withstood every chemical we have used against it. However, it has had some narrow escapes, and perhaps the day is not too far off when a chemical will be found to "tame" the "wild" oat, and rid western farmers of their worst weed enemy.

Our greatest need today is for more basic information about our weed enemies. Weed specialists and researchers are continually discovering new and important information on what makes weeds "tick". Such information, however, can only be obtained through the efforts of competent weed research workers and they must be provided with the necessary tools to do the job. This costs money. Weeds on the other hand cost the farmers of Western Canada at least \$250,000,000 a year. It is obviously an important responsibility of the prairie farmers and their organizations to insist that adequate financial support for weed control research be provided. An investment in weed research is a sound investment in the future welfare of our prairie agriculture.

It would be even more pleasing if labor would go all-out to work hard, produce more units per hour, and thus cut costs. In some industries they are doing that. True, they still can't match the cheap labor of some countries, but they do diminish the spread in price to some degree. Those of us determined to "buy Canadian" appreciate it.

The Canadian Labor Press urges that same principle. "Every Canadian worker can do his part to ensure that his company's products are placed on the most competitive footing possible. This involves a sincere effort to keep productivity and quality high and a reasonable attitude in wage demands."

That sort of attitude deserves three cheers. If union leaders will follow through on it, labour may win back some of the friends it lost through pushing its power too far!

Male voice (over telephone): "Say, Mabel, may I come over tonight?"

Female voice: "Sure, Bill, come on over."

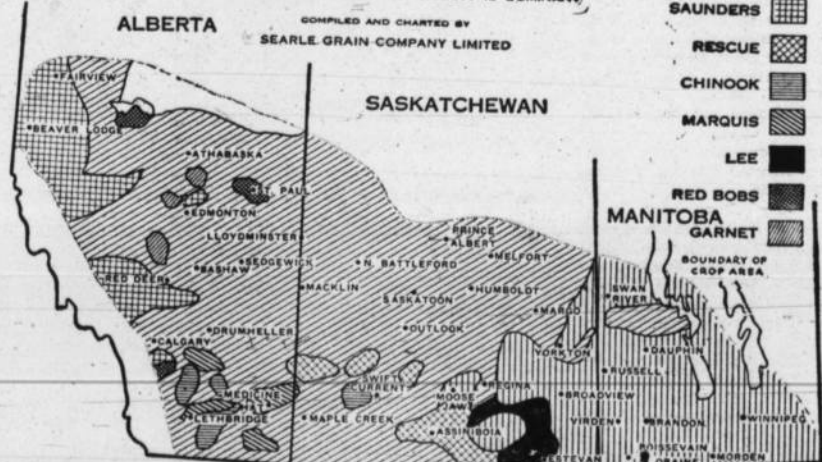

Male: "But this isn't Bill."

Female: "This isn't Mabel, either. But come on over."

THATCHER STILL LEADS
The annual survey made by the Searle Grain Company on the distribution of wheat varieties over the prairie provinces reveals that Thatcher, in 1955, still occupied more of the wheat acreage than all the other varieties put together but by a smaller margin. Thatcher accounted for 52.8 per cent of the

total wheat acreage of the three prairie provinces, compared with 64.8 per cent last year. Selkirk was in second place with 14.7 per cent of the acreage compared with 1.3 per cent last year. Rescue was in third place with 7.9 per cent; Lee fourth with 5.6 per cent; Chinook fifth with 4.2 per cent and Saunders sixth with 3.7 per cent.

Then followed with less than 2.0 per cent Marquis, Redman, Red Bobs, Garnet and some miscellaneous varieties.

Thatcher dominates in Alberta with 53.6 per cent of the acreage and in Saskatchewan with 59.3 per cent of the acreage but in Manitoba, Selkirk dominates with 64.7 per cent.

To learn how farming has been revolutionized in modern times, listen to Norman Tyndall, of Richmond Hill, Ontario.

"Nowadays, one man can produce as much food as eight men could — less than a generation ago," says Mr. Tyndall. "Machines like the newest tractors, balers and combines have lightened our job tremendously. And of course, agricultural science is adding to our know-how with results that can be seen in fields all over the country."

As Mr. Tyndall knows, there have also been important developments in life insurance — which help him as a family man.

Today, for instance, there is a wider choice of life insurance plans than ever before. So men like Mr. Tyndall have a more flexible way of meeting their own families' special needs — needs that keep changing over the years. The life underwriter who serves people today is a key man in this planning. And he, too, has changed. Modern training methods have made him a more efficient counsellor on the many different uses of life insurance.

In these and other ways, the life insurance companies in Canada have progressed to meet the changing needs of people in all walks of life!

Mr. and Mrs. Russell Markert and family of Ensign were Sunday guests at the home of Mr. and Mrs. O. Herman.

Visitors at the home of Mr. and Mrs. F. Stokes on Sunday were Mr. and Mrs. Pete Stokes and family of Lomond.

Don't forget the Fashion Show and dance in the Armada Memorial hall on Friday, Feb. 27 at 8 p.m. The men are doing the modeling so this should be good.

Our hats are off to the entertainment committee of the community hall for the enjoyable evening they arranged on Saturday night. A very good crowd turned out to enjoy a night of fun and laughter. The program began with Truth or Consequences, and of course everyone paid the consequence.

How many of you would like to be called to breakfast like Charlie Lund? And I hear Maurice Henrikson's toes are still curled up after eating that lemon. Harvey Boe seemed to enjoy eating his very much. Everyone got a big bang over the pie-eating contest. Luckily the men never choked on it. Oh, what a night!

Several games followed Truth or Consequences — in which everyone took part. Just proves Armada has lots of good puddle jumpers and also a few "sober-sides."

The evening ended with lunch served in the basement, bringing a delightful evening to a close. All in all, everyone had a great time and look forward to another similar occasion in the near future.

BRANT

The County High School bonspiel took place in Brant on Saturday. First Event, Fred Burley rink of Brant defeated Bob Egland of Blackie. Second in First Event, Jim McKay, Brant defeated Edwin McNiven of Brant. Second Event; Dick Williams rink, Brant won the consolation. The prize trophy won by Milo High School last year was won by Brant this year.

Skating Carnival

On Friday evening, Jan. 20 a very successful Skating Carnival was held at the skating rink sponsored by the Home and School Assoc. The committee, Earl and Henry Bateman, under the leadership of Pat Gallagher planned a wonderful evening for one and all. It was very enthusiastically received by the large crowd in attendance. The majority of the crowd were in costumes which made the evening more delightful.

After a few rounds of skating to the music supplied by Ted Olsen, the judges George Forbes, Clifford Jensen and Les Shaw, chose as most outstanding costumes the following:

Best dressed couple: Marjorie Bride and Penny Howlett. Singles: Bob Welsh, Sharon Smith, Garry Kennedy, Janice Smith, Mrs. Ann Hoszar, Alana Parker, Ralph Thompson, Muriel Gallagher, Muriel Wilkinson and Colleen Auld.

There were many lovely and humorous costumes and the judges had some hard decisions to make. Leonard Smith, who was in charge of the races then took over and the winners were as follows:

1st Obstacle race: Blaine Knapp, Jack Schultz, Eddy Gallagher, Doug Fletcher, Donnie Olsen, Allen Thompson, Twila Parker, Alana Parker, Jim McKay, Freddie Andrews and Lynn Bateman.

2nd race: Allen Thompson, Donnie Olsen, Alana Parker, Dale Jensen and Jack Ball.

3rd race: Married men's: Gordon Thompson.

4th: Sleigh race; Eddie Gallagher group — Allan Thompson, Bill Schultz, Jim McKay.

Throughout the evening refreshments were served to all under the capable management of Mrs. Pat Gallagher and Mrs. Marion Smith, who made a very charming antoinette and antoinette in their chef costumes.

To bring the evening to a grand climax a few of the older folk danced, the younger ones skated and had a grand old time and a good many laughs.

The Committee wishes to thank all those who helped in any way to make the evening such a tremendous success.

Men's Open Bonspiel

The Annual Men's Open Bonspiel was completed on Friday, Jan. 20 with 13 rinks competing. The Brown rink from Ensign was the top winner. Winners of the 1st competition were: 1st Brown rink, Ensign; 2nd, Wolfe rink, Vulcan. Four electric clocks, donated by Burley's store. Vulcan won four copper trays donated by Calgary Power Ltd.

Winners in 2nd competition were 1st, Smith rink, High River, four copper butter dishes, donated by Jerry Ferguson; 2nd, Wolfe, Vulcan, four cigarette lighters, donated by Hudson's Bay Co.

Winners in the 3rd competition: 1st prize: Prater, Brant, four electric coffee percolators, donated by the Club; 2nd prize: Hamilton, Brant, four farmer's drills, donated by the Club.

Winners in the 4th competition: 1st prize: Armstrong, Vulcan, four ash trays; 2nd prize: Brown, Ensign, four crescent wrenches, donated by George Forbes.

The Ladies' Curling Club served lunch every day, in the booth.

Mrs. Braunschworth from Blackie spent Wednesday afternoon visiting her daughter Mrs. Jack Kennedy and brother Jim Dorrell.

Congratulations to Mr. and Mrs. Stan Fletcher on the birth of a boy, Monday, Jan. 16.

Mrs. M. Attlere entertained a few wee friends on Saturday afternoon in honor of her daughter's 7th birthday.

LOMOND

Messrs. Ralph and Irvine Lindstedt were in Calgary last week where they visited Arthur Berger who is a patient in the General hospital.

A very lovely miscellaneous shower was held in the Lomond Community hall on Saturday afternoon Jan. 14, in honor of Mr. and Mrs. Bill Tolley who are at present residing in Claresholm. Bingo was enjoyed through the afternoon. Mrs. R. Frost presented the bride with the gifts on behalf of those present. Assisting the guest of honor in opening the gifts were her mother-in-law, Mrs. Leonard

Tolley. Mrs. Frost and several other ladies. Arlene very graciously thanked her friends for their good wishes and much appreciated gifts. Later a very lovely lunch was served.

The FUA held a public meeting in the Lomond Community hall on Friday evening Jan. 19. The programme was Farm Emergency. Guest speakers were J. Derrick of High River, Mrs. Smith, Mrs. Douglass and Mr. Morrison. Another meeting of the Badger Lake FUA Local 1201 will be held at the school on Wednesday, Feb. 1st, at 8:30 p.m.

St. John's Guild

The regular meeting of St. John's Guild met Jan. 19 at the home of Mrs. Ethel Bolduc with 10 members and four visitors present.

The meeting was taken by Mrs. A. Hanna as the president, Mrs. Mary Frost, was unable to attend. Plans were made to cater to the next Lions supper. Rev. Reuss gave an interesting talk to the ladies and Mrs. Florence Humphreys won the contest prize.

The hostess served a lovely lunch. Next meeting is to be held February 16 at the home of Miss E. Bell at 8 o'clock.

WMF

The regular meeting of the WMF was held on Jan. 18 at the home of Mrs. Lena Huff with 16 members present.

The ladies would like to thank all the men who helped work on the church and also thank the ladies who served coffee to the men who worked. The church looks very nice now. The next meeting is to be held at the church manse with Pastor Foster as host.

Mrs. Huff and her assistants served a lovely lunch.

A successful free show and treats for the children of Lomond and district was sponsored at Christmas time by the Lomond Lions Club.

It's as simple as this. In winter, snow usually falls. Snow usually gets hard and slippery. If you drive too fast over something that's hard and slippery, you're apt to skid and bust something . . . yourself, usually. Then for goodness sake why not drive slow? And use tire chains?

"Do It Now" is a slogan that is becoming familiar to all as, through newspapers and radio, people are asked to provide more employment during the months of January, February and March.

In the cities, unemployment during these months is serious. In the country towns these are the "Slow Months"—a slack period in many lines of work. Many jobs that people put off until spring could just as well be done during these late winter months—building that rumpus room or cupboards, modernizing plumbing and electric wiring, having that tractor or truck overhauled.

Don't wait until the busy spring season to have these jobs done—you can get better service now and at the same time provide employment during the slack season.

United Ladies Aid

The January meeting of the United Ladies Aid was held at the home of Mrs. Gladys Bittorf. Twenty dollars was sent to the Junior Red Cross out of the birthday box. It was decided to cater to the banquet for the Ladies Curling Club at one dollar a plate.

A lovely lunch was served by the hostess assisted by Mrs. A. Armstrong and Mrs. Marge Beckner. After lunch the revealing of last year's sunshine friends were disclosed by an exchange of gifts and new sunshine friends were drawn for this year.

Rebekah Lodge

The Rebekah officers for this year were installed last Tuesday evening by Mrs. Lil Peterson and her installation team. Officers for this year are as follows: Junior Past Grand, Mrs. Bea McCord; Noble Grand, Mrs. Gladys Bittorf; Vice-Grand, Mrs. Sylvia Jones; Recording Secretary, Mrs. Muriel McCord; Financial Secretary, Mrs.

Reta Black; Treasurer, Mrs. Dorothy Moore; Chaplain, Mrs. Eva Ivers; Warden, Mrs. Leona Jones; Conductor, Mrs. Thora Scott; Inside Guardian, Mrs. Zola Webber; Outside Guardian, Mrs. Linda Dishaw; Right Supporter of the Noble Grand, Mrs. Gladys Phillips; Left Supporter of the Noble Grand, Mrs. Dorothy Dew; Right Supporter of the Vice-Grand, Mrs. Marge Beckner; Left Supporter of the Vice-Grand, Mrs. Violet Carson; Pianist, Mrs. Helen Kingsmith.

On behalf of the Lodge, Mrs. Bea McCord presented Mrs. Peterson with a gift and thanked her for her help and co-operation during the past year.

Mr. and Mrs. R. O. Bertrand and Garry were visitors to Calgary for a couple of days last week.

Fishing has been strong here the past week with their quota nearly completed. Pike up to 20 pounds and whitefish up to 10 pounds have been pulled from the nets.

Mr. and Mrs. Bob Umscheid, Mr. and Mrs. Bob Monner, Mr. and Mrs. Tom Clarke and Mr. and Mrs.

Charlie Carson attended the Lethbridge Lions Club Charter Night last Saturday evening.

Home & School members are reminded their next general meeting will be held on Thursday, Jan. 26, at 8 p.m. Topic for discussion will be a buzz session on comics.

W. Bittorf, M. Goldthorpe and R. Hall have been taking in a few days each at the Dodge school in Calgary the past week.

The Milo High School curling team, Lorne Healy, Ralph Austed, Alvin Shields and Dennis Beckner, curled in the Taylor-Pearson and Carson playdowns at Strathmore last Saturday, and although they didn't win reported that they had had good games.

QUEENSTOWN

Mr. and Mrs. George Nelson were host and hostess to 19 bachelors of the district at a turkey supper and social evening, recently. The assembled guests presented Mrs. Nelson with a pair of matching lamps.

Mrs. Hough was a visitor to the city during the week for a medical check-up.

The community was saddened to hear of the passing of Roy Allan Sr. at Vulcan recently. Mr. Allan farmed in the Queenstown district for a good number of years before moving to Vulcan. We would like to extend our sympathy to Mrs. Allan and family in their loss.

Badminton is being played in the Community Hall every weekend and quite a number of the younger set have joined the Club as well as many of the former members.

Chicken pox is prevalent in the village and the three Hunter boys have all been victims.

Mr. and Mrs. Bushell and Audrey were Calgary visitors on Sunday.

C. Hutchinson underwent surgery in an Edmonton hospital during the week and we wish the very best for him and hope to see him around again soon.

Mrs. W. Taggart has returned from a stay of several weeks with her daughter in Saskatoon.

Mr. and Mrs. Ken Knight and daughter of Vauxhall were weekend visitors at the home of Mr. and Mrs. J. McLaughlin. Mr. McLaughlin is home again from the Bassano hospital and we hope he has recovered completely from his recent illness.

The Ham Supper on Jan. 21st, sponsored by the Community Hall was very successful and many thanks to all those who assisted in any way and don't forget the dance on the 27th.

MOSSLEIGH

The Carseland Boys' hockey team played in Mossleigh Monday night winning the game 6 to 3. Saturday night Arrowwood Sr. boys were over and won the game with the same score, 6 to 3.

The Arrowwood Lions Club held a successful Bingo in Mossleigh on Friday night with the following winners: Towel set, Mrs. Hayes from Arrowwood; Salad bowl, Mrs. Hagedorn; consolation, Mrs. Brown Tray, Mrs. Brassard; Cake keeper, Pete Shashabetoff; Pair of lamps, A. Mr. and Mrs. J. Jolly, Mr. and Mrs. J. Leslie and family, and Mr. and Mrs. R. Hurl and family were Sunday visitors at the home of Mr. and Mrs. M. Hurl, Calgary.

Sharon and Joan Leslie were weekend visitors at their homes.

FARROW

Miss Alleen Miles is a patient in the High River hospital suffering from an ear infection. We hope she will be feeling better soon.

At a recent Community Bingo, sponsored by the Mossleigh-Arrowwood Lions Club, Clayton Thurbur was one of the lucky players from this district bringing home a table lighter.

Sympathy of the district is extended to Mrs. Bernice Paul on the death of her grandmother at Ponoka.

Of the two rinks from this district competing in the Mossleigh annual bonspiel both brought home prizes. The rink with Ted Percival as skip, Gus Brownell, lead, Bill Groeneveld, second, and Bob McWilliams third, won the second prize in the second competition; the prize being cocktail sets, while the rink with Jack Thurbur skip, Charlie Meadows lead, Harold McDonald second, and Fritz Mason third won fourth prize in the Second Event; this prize being men's gloves.

Mrs. Ellnor Percival attended

But We Can Predict
NO DELAY If You Bring Your
Tractor in for Service Now

Predicting the future is not among our talents. But we can predict two things: If you bring your John Deere Tractor or other equipment in for service now, you'll avoid the last-minute service rush... you'll be all set for trouble-free operation.

Furthermore, you can be sure of expert work on every job. Our skilled mechanics are trained in John Deere servicing methods; they have proper working equipment and genuine John Deere parts to use as replacements. This unbeatable combination assures better work, quickly and economically done.

Don't delay; let's make a service date this week!

ALSTON

H. K. Thompson of Langley Prairie, B.C. is visiting at the home of Mr. and Mrs. Jack Middleton. Mr. Thompson is Jack's grandfather.

Two rinks from Alston competed in the FUA Curling Bonspiel in Vulcan on Jan. 13 and 14. The two rinks were as follows: Jack Middleton lead; Cameron Middleton skip; Ray Flitton 2nd; Howard Hagg 3rd. Evelyn Reath lead; Evan Williams skip; Jim Reath 2nd; Gino Foersch 3rd.

A FUA meeting was held at the home of Mr. and Mrs. Ray Flitton on Tuesday, Jan. 10 with fifteen members present.

Mrs. Viola Marshman and two daughters were Calgary visitors last week where they visited Mrs. Marshman's sister Mrs. E. Repp, and Mrs. Kay Hendry. They also visited Mrs. Marshman's aunt, Mrs. R. Gerlitz at Midnapore.

Mr. and Mrs. George Melvin were visitors at the Ray Flitton home on Sunday, Jan. 15.

Miss Ruby Beingsner was a weekend visitor at the home of her parents, Mr. and Mrs. Mike Beingsner.

Visitors at the Roger Hubbard home on Jan. 22nd were Mr. and Mrs. Lyle Hubbard and girls from Vulcan.

Miss Marjorie and Mabel Reath were Calgary visitors on Saturday, January 21.

Mr. and Mrs. Dick Anderson and girls were visitors at the Cameron Middleton home on Sunday, Jan. 22nd.

Brown McDonald and Cameron Middleton were Innisfail visitors last week.

Mr. and Mrs. Ray Flitton entertained three couples from Vulcan Friday night, Jan. 20th with a square dance party.

Mr. and Mrs. Ray Flitton were visitors to Lethbridge on Thursday, Jan. 19.

Bernie and George Mueller celebrated their birthdays on Sunday, Jan. 22 with a birthday party.

KIRKCALDY

Miss Mary-Jo Lynch of Calgary was a weekend visitor at the home of her brother-in-law and sister, Mr. and Mrs. Donald MacKay.

David Munro, son of Mr. and Mrs. Evan Munro, was a patient in the Vulcan hospital for two days this week. He returned home on Tuesday.

Mr. and Mrs. Calvin Carnegie motored to Calgary on Sunday to visit Buster at the Red Cross, Crippled Children's hospital.

Mr. and Mrs. Henry Todd returned home from their trip to California this week where they have been visiting relatives and friends for the past two months.

The card party sponsored by the Kirkcaldy WI was successful on Friday evening with 8 tables of cards in play. Bridge prizes were won by Miss Marion MacKay and J. M. Williams for high place; Mrs. Clyde Coe and Darrel Maisey for low place. Whist winners were Mrs. Elluck and Donald MacKay for high place and Mrs. Harry Peters and Mr. Elluck for low.

Lunch was served by the W.I. The next card party will be held on Friday, Feb. 3, at 8 p.m.

MAJORVILLE

Mr. and Mrs. Oliver Ingraham of Calgary were guests for a few days last week at the home of Mr. and Mrs. Clarence Umscheid.

Mr. and Mrs. Bartsch and Patsy, with Mr. and Mrs. G. McMorris and Wendy, went to Lethbridge last Thursday. The men-folk attended the Southern Alberta Stock Growers meeting and the women did the shopping.

Mr. and Mrs. George Heather and Joanne were Sunday dinner guests at the home of their son-in-law and daughter, Mr. and Mrs. Damien Corbell of Cluny. At Cluny they picked up Mr. and Mrs. Don Gor-

don and family, who were also guests for dinner at the Corbells. Mrs. V. Wellman arrived home from Calgary last week with her new daughter Wendy Lee.

F.W.U.A.

The FWUA met for the January meeting at the home of Mrs. John Papp. Despite the foggy, chilly afternoon 16 members and two visitors turned out. The roll call was answered by 'What I Could Do To Be A Better Member This Year' and proved quite interesting. A letter from the executive Mrs. Armstrong, Mrs. Douglas and Mrs. Matheson was read; also the news flashes.

Mrs. Voogs gave a comprehensive report on a meeting she recently attended at Vulcan, and reported that future activities of the meeting will be sent to Mrs. Smith. These report cards will show the percentage of members in attendance at each meeting, etc.

Mrs. Henry read the bulletin, on Social Welfare and the petition re: the emergency program was passed around for anyone wishing to do so to sign.

Mrs. Spokes won the tea raffle. The lunch committee served a lovely lunch. Next meeting will be at the home of Mrs. Wayne Monner.

Mr. and Mrs. Preston Mills were guests during the week at the home of Mr. and Mrs. John Papp.

On the occasion of her 6th birthday Perry Heather had a birthday party on Thursday when those invited were Patsy Bartsch, Ronnie, Wendy and Larry Deltz, Ellen Thomson, Barbara Gerding, Rickie Clemmons, Darlene Clements, and Debbie Hostetler and Joanne Heather. Grown-ups who enjoyed the party were Mrs. Bartsch, Mrs. Bill Clements, Mrs. Merv Goldthorpe, Mrs. Bert Clemmons, Mrs. George Heather, Mrs. Alf Heather and Mrs. Bob Deltz. A new angle to birthday parties was that Terry had a gift for each of her small guests and we think it a really nice idea.

Mr. and Mrs. Bert Clemmons were visitors at the home of Mr. and Mrs. Strang Fraser of Cluny last Tuesday.

Calgary visitors during the week were Mr. and Mrs. Hugh Winch, Mr. and Mrs. Bob Umscheid and Mr. and Mrs. Bartsch.

Board Reviews Drivers Records

Operations of the review board set up this year under Alberta legislation in connection with accident prone drivers were disclosed in a report issued recently.

The report shows 68 motorists have appeared before the board

since it was formed last April. Of these, six were permanently prohibited from driving. Two of the number volunteered to be suspended.

In 11 cases, licenses were suspended for an indefinite period, but the suspension is subject to review.

Sixteen motorists were granted licenses on a probationary basis while 11 were informed of their

driving problems and then given licenses. In 24 instances, the motorists were cleared by the board and given licenses.

The work of the board is expected to tie in with a card system which the highways department plans to set up for every driver in the province.

Vaccinate your pigs now to prevent Swine Erysipelas

SWINE ERYSIPELAS (Diamond Skin Disease) can occur at any time of the year. It is most serious in shoats 3 to 12 months old. However, hogs of all ages are susceptible and the disease frequently attacks pigs that are a few days or weeks old. Erysipelas may become permanently established on certain farms and recur year after year as the causative organism may persist or even appear to grow in some soils for months or years.

VACCINATE NOW—one injection produces dependable immunity.

UFA President Is Plant Scientist

By C. Frank Steele

An agricultural scientist, Arnold W. Platt, father of Rescue wheat, is the new president of the Farmers Union of Alberta and with his election the organized farm movement in Alberta enters a new era. For the first time the convention delegates selected a Southern Albertan, a man with scientific training and acquainted with marketing and also a "dirt farmer."

Mr. Platt who was director of the FUA district centering in Lethbridge where he now lives, had no thought of filling the shoes of Henry Young of Millet, president of the organization, when he went to the convention. But the 'boom' for Platt started soon after his arrival and he emerged the winner in a four-man race for the presidency. The job carries a salary of \$5,700 a year and is a full time position. Headquarters are in Edmonton but the new president may maintain his home in Lethbridge. One of those defeated by Platt was Carl Stimpfle of Egremont, first president of the FUA. Henry Young filled his full five-year term, the longest one man can serve under the constitution.

The new president of the agrarian group was born in Innisfree, Alberta, and is an agricultural graduate of the University of Alberta, holding his B.Sc. and Masters degrees.

Entering the service of the Dominion Experimental Farms after his graduation he was stationed at Swift Current, Sask., where his genius for research was soon recognized. He was employed as assistant at the Swift Current station from 1936 until 1938 connected with the cereal and forage crop breeding program. From 1938 to 1948 he was the officer in charge of the cereal breeding laboratory there and it was there that he did much of the work that won him fame as a plant breeder. He played a major role in overcoming the ravages of wheat stem sawfly which at the time was robbing the West of a million acres or more of wheat a year. He continued his work along with other scientists at Lethbridge where he was transferred in 1948 and the result was Rescue wheat, a sawfly resistant variety. Then came the civil service that brought Dominion wide interest and surprise.

Mr. Platt resigned as head of the cereal breeding staff at the Lethbridge station. In a statement he said he resigned because: "I disagree with the Federal Government on the adequacy of its cereal breeding program in this area. The Government program is not large enough. We need at least one more professional man for the bare minimum." He had no complaint about his salary but felt members of his staff were underpaid.

In recognition of his contribution to agricultural research, notably in the development of Rescue wheat, Platt was made a Fellow of the Agricultural Institute of Canada, an honor he prizes highly.

He is manager of a large grain growing project on the Blood Indian Reserve, southwest of Lethbridge. A group of Lethbridge men active in agriculture form the syndicate which holds a lease from the Blood band. The venture has been very successful. This year Durum wheat was raised by the group and it "paid off." Mr. Platt is a Kiwanian, an able speaker and holds strong views.

Mr. and Mrs. F. J. Mensinger were recent Calgary visitors.

Among hospital patients this week are Miss Cora Rinehart, Roy Fitzpatrick, Mrs. Bill Houlton, Mrs. Eva Bowie, Luke Ohlheimer, and Betty Ann Northcott. Betty Ann was suddenly stricken ill at her home Sunday and was rushed to the hospital.

Congratulations are being offered Mr. and Mrs. Ralph Richardson on the birth of a son Tuesday, Jan. 24, at Lethbridge. Mrs. Richardson was before her marriage Miss Lois Chase.

Mr. and Mrs. Elwood Mensinger and girls returned to their home at Coutts on Monday after spending the weekend with relatives here and were accompanied by Mrs. Harold Mensinger, who will be their guest for a few days.

Miss Janet Shrigley, Miss Evelyn McMullen and Mrs. V. Engen were Calgary visitors this week.

Bill Williams of Taber, Provincial President of the Canadian Legion, attended the annual meeting of the local Legion Branch on Wednesday evening.

Mrs. W. M. Giles and daughter Susan were fortunate in escaping without injury, when their car overturned after hitting an icy patch of road west of town last Friday. The car suffered extensive damage.

Britain's Bid For Quality

(By W. G. Malaher)

A great deal has appeared in the Canadian Press lately about Koga II wheat, a new wheat variety developed in Germany and exhibited at the Toronto Royal Winter Fair where it placed 18th in competition with other Canadian hard red spring wheats.

With all the attention focused on Koga II, the fact that two other English varieties entered in this class placed 21st and 25th respectively seems to have passed unnoticed. The first of these, only three places below the Koga award was the variety Atle which is the most widely grown spring wheat variety in that country. It originated in Sweden and it was the variety which because of its performance and quality gave an impetus to the growing of spring wheat in Britain at the end of World War II. Atle is a hard milling wheat and is reported to give grain of excellent baking qualities. Atson, which placed twenty-fifth at the Royal Winter Fair is a higher yielding variety than Atle and gives grain of a similar quality. Thus far tests made in England on Koga II seem to show that it is superior to the average English wheat but it seems to be doubted whether its quality is quite as good as that of Atle.

The important thing from the Canadian standpoint is that in the postwar years there has been a very definite improvement in the quality of British wheats and that not one but three of the varieties most prominent there at the present time were placed ahead of some Canadian entries at the Royal Winter Fair. This must not be construed however, as meaning that they are superior in quality; that is something that can only be determined if milling and baking tests are made and such tests would unquestionably place these varieties at a disadvantage to Canadian wheats.
